2023 RV SITE WATER SHUT OFF / TURN ON

Dear Leaseholders:

Water turn off for RV sites will begin on October 10, 2023. We will be putting up posters throughout the resort starting in September as a reminder.

- **Everyone is required to fill out a form regardless of whether the water needs to be left on or turned off.** Please fill out the form prior to **October 3, 2023** and return to the Front Office.
- Starting October 10, 2023, over approximately a two-week period, your water will **automatically be turned off** unless we are notified otherwise. Any charges incurred to turn your water back on will be deemed the site owner’s responsibility and will be billed to your site account.
- Request for water shut off or turn on must be provided by the site owner in writing via fax, email, mail or registration at the office. Holiday Park Resort **will not accept direction from private occupants or neighbours.**

Water turn on starts around mid-March, weather permitting.

- NOTE:**
- Water to sites **will be turned off automatically** unless we are otherwise notified.
 - We require **minimum 48 hours notice** to turn water on or off;
this includes spring turn on.
 - Water **will not be turned on or off after 2:30 Mon. - Thurs., all day Friday, on weekends or statutory holidays** due to the risk of damage occurring to resort water lines.

.....

To request irrigation, blow out please fill out a Work Order (see front desk) prior to September 22, 2023.

.....
