

HOLIDAY PARK RESORT

2026 RV SITE FALL WATER FORM

Date: _____

Site # _____

_____ Leave water ON all winter

_____ Shut water OFF - as scheduled starting October 15, 2026

_____ Shut water OFF - after this date: _____

☐ Yes ☐ No - Has RV Site been **Winterized** (i.e. – Antifreeze in lines)

Leaseholder Name (please print): _____

Leaseholder Signature: _____

PLEASE NOTE:

Water turn off for RV sites will begin on October 15, 2026. We will be putting up posters throughout the resort starting in September as a reminder.

All site leaseholders are required to fill out a form regardless of whether the water needs to be left on or turned off. Please fill out the form prior to October 8, 2026 and return to the front office.

While we prefer not to, without direction, your water will automatically be turned off unless we are notified otherwise. Any charges incurred to turn your water back on will be deemed the leaseholder's responsibility and will be billed to your account.

Request for water shut off must be provided by the site leaseholder in writing via fax, email, mail or registration at the office. Holiday Park Resort will not accept direction from private occupants/renters or neighbours.

We require a minimum of 48 hours notice to turn your water off.

Water will not be turned off:

- After 2:30 PM – Monday – Thursday
- Fridays, Weekends or Statutory Holidays due to the risk of damage occurring to resort water lines.

It is your responsibility to update your address with the front office if it changes over the winter, both upon departure and return.

To request irrigation blow out, please fill out a Work Order (see front desk) prior to September 20, 2026.

NOTE: You can also email stephanie.stewart@holidaypark.ca to advise if you want your water on or off. Please also advise if your site has been winterized.
