Following is the schedule of **Holiday Park Resort 2024 Garbage Truck Runs**.

Please respect our recycle area by bringing garbage items (***excluding items not permitted***) at these scheduled times only, to be loaded on the truck.

- Dump truck will park at recycle area from 8:30 am - 12:00 pm on these days
- Please **do not** leave large items for disposal at recycle centre
- These items **must be delivered on the day of dump run**
- **If your truck is loaded for the dump, please take it there** rather than unload your truck into the dump truck as we have limited capacity for large loads.

NOTE: This area is monitored by security cameras. Fines will be levied to offenders.
